

**台風・大雨等時の登下校について****Regarding Typhoon/Heavy Rain, etc., when going to/leaving school**

We will implement as below when typhoon/heavy rain, etc. occurs during time of leaving from school.

Please read carefully this print-out and discuss it with your child. In case of emergency, we will distribute information through e-mail automated system. Do not forget to register your e-mail.

<Weather information in Suzuka City>

**① If typhoon alarm (heavy snow alarm) is announced at 7 o'clock in the morning up to the present, and either typhoon with heavy rain near area of vicinity;**

- Classes are suspended in the morning.
- There is no school lunch.

**② If weather bureau announces the following from 11 o'clock up to present**

◇ 暴風警報 (Bofuu Keiho) Typhoon alarm (暴風雪警報 Heavy Snow Alarm), typhoon with heavy rain near area of vicinity.

If it continued to announce in the afternoon.

- **Classes will be suspended for the day. It is a temporary holiday.**

◇ If 暴風警報 (Bofuu Keiho) Typhoon alarm (暴風雪警報 Bofuu yuki keihou) Heavy snow, 台風接近に伴う大雨警報 and typhoon with heavy rain in the vicinity is **eliminated the alarm...**

- There will be classes in the afternoon in all grades. Please take lunch at home. Prepare lesson for Japanese (Kokugo), Math and bring materials for writing and message note (renraku noto). Please come to school before 1 o'clock in the afternoon.
- But if there is danger in the vicinity like flood or overflowing of water, cliff collapsed, etc., please contact the school regarding this matter and go to school after confirming the safety of the place.
- If the school evaluates that there is danger on the route to school, the children may not be allowed to go to school or classes may be suspended.

**③ Before the start of class, either 暴風警報 typhoon alarm (or heavy snow alarm 台風接近に伴う or typhoon with heavy rain in the vicinity is announced.**

- Immediately, classes will be suspended and go home fast.
- While taking consideration on the route of typhoon as well as the latest condition, we will advise the students to go home by group per area. But, in some conditions, we may request to pick-up the child from school. With regards to this, we will distribute information through automated e-mail system. Please be guided.

**④ If alarm is not announced but there is a possibility of storm and flood damage...**

- If alarm is expected and there is heavy rain/wind before the start of classes, in some case, Board of Education may take proper actions such as “temporary holiday”, “changes in school lesson for the day” or “changes in time schedule to dismissal”. We will announce through e-mail.
