

Parents or Guardians

Asahigaoka Elementary School Principal

Miura Yasuki

Notice regarding changes to the guidelines for children's commutes to and from school and the conduct of classes during emergency situations.

Thank you for your continued cooperation with school protocols.

From April 2026, rules regarding school closures due to events such as typhoons and heavy rain will change.

These changes are designed to ensure your children's safety and reduce the burden on parents. Please review these new rules as a family.

Notice:

Response time(s) and procedures for weather related disasters

Previous Times Parents Were Informed By	Previous Procedure
If a warning or alert was issued as of 7:00 AM then...	Students would stay at home
If the warnings were lifted by 11:00 AM then...	Afternoon classes were held.

New Times Parents Were Informed By	New Procedure
If a warning or alert is issued by 7:00 AM then...	Classes are cancelled [This will result in a temporary closure of the facility]

※If a warning or similar alert is issued at 7:00 AM, regardless of whether the warning has been lifted, classes for that day will be canceled (this will result in a temporarily closure of the facility)
